## ABOUT THE CONFERENCE

ITEP is a 4 Year dual-major undergraduate degree offering BA and BED or BSo and BEd and BCom and BEd. Admission to the course will be carried out by the National Testing Agency (NTA) through the National Common Entrance Test (NCET). National Council for Teacher Education (NCTE) has launched Integrated Teacher Education Programme (ITEP). This is a flagship programme of NCTE under NEP 2020, it added. ITEP is a 4 Year dual-major undergraduate degree offering BA and BED or BSo and BEd and BCom and BEd. Admission to the course will be carried out by the National Testing Agency (NTA) through the National Common Entrance Test (NCET). "This course will prepare teachers for the 4 stages of the new school structure i.e. Foundational, Preparatory, Middle and Secondary (5+3+3+4). The programme is being offered in pilot mode initially in reputed Central/State Government Universities/Institutions. ITEP will be available for all students who choose teaching as a profession after Secondary, by choice. This integrated course will benefit students since they will save one year by finishing the course in 4 years rather than the customary 5 years required by the present B.Ed. plan," "ITEP will not only impart cutting-edge pedagogy but will also establish a foundation in early childhood care and education (ECCE), foundational literacy and numeracy (FLN), inclusive education and an understanding of India and its values/ethos/art/traditions, among others. The course will contribute substantially to the revitalization of the whole teacher education sector...."

In Higher Education, NEP, 2020 provides valuable insights and recommendations on various aspects of education that include moving towards multidisciplinary and holistic education, institutional autonomy, promotion of quality research through establishment of National Research Foundation, continuous professional development of teachers, integration of technology, internationalization of higher education, restructuring of governance and regulatory architecture, multidisciplinary curricula, engaging blended, pedagogy, valid reliable and blended assessment and availability of content in Indian languages. The policy is expected to bring long-lasting positive impact on the education system and making India a global hub of skilled manpower during the 'Amrit Kaal', the next 25 years leading up to Developed India in 2047. Its implementation needs collective efforts of Centre, States, UTs, HEIs, Regulating Agencies / Regulatory Bodies and all other relevant stakeholders upgrade their knowledge and skills with the help of this National conference.
